The football year was dedicated to the memory of Tim Gazely. The Bluejays showed much spirit and enthusiasm and worked hard to make it a great season.

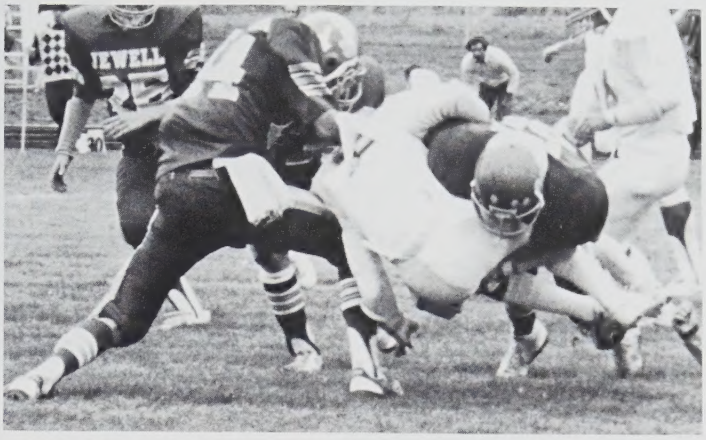

They accomplished this, for the season ended with five honorable victories and four losses. With this average, they succeeded in making the 1984 football year the first winning season in their four years of competition.

This year's volleyball season was a good one for the players. They didn't have a winning season, but that didn't deter them from the real aspect of the game, which is to have fun.

The girls showed enthusiasm from the start of the season. At first there weren't enough to make a team, but with determination they managed to persuade enough girls to come out and play. This shows how much the girls enjoyed the game and wanted to play.

"It's ok Joni, nobody's going to take your ball."

"Is this the way to the candy stand?"

Diana and Debbie at their best.

A relatively swell band of Bluejays took to the court this year to attack the Northern Casco League. By season's end we had even fewer players. Our numbers were a problem for us but could not overcome our spirit. We ended with a 12-5 overall record. We were disappointed not to have ended up in the league playoffs having finished third behind NCC and Perrydale. Two overtime losses to Perrydale were the highlight (lowlight?) of our season.

Our seniors were very definitely the core of our team and led us in every category. Their play led us to our success. A 12-5 season is one to be proud of—GOOD JOB GUYS!!!

"Did you want me to pass to you??"

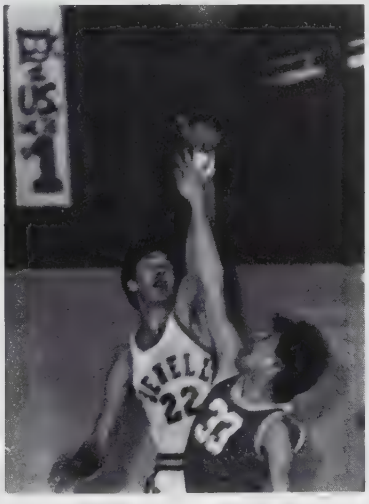

"See, I told you I can whistle."

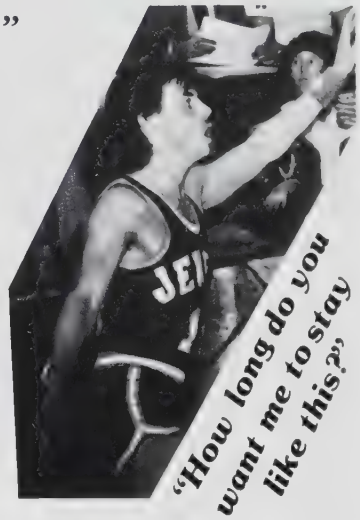

Stretch!!!!

"I didn't think he could jump so high."

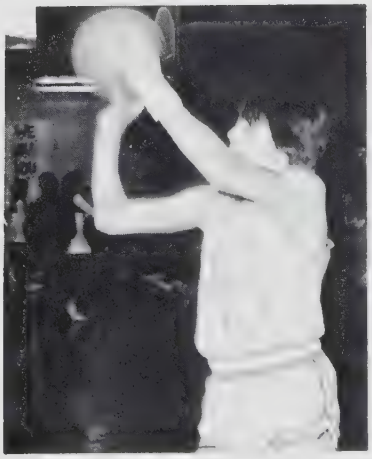

"I can out jump U, no prob."

"How long do you want me to stay like this?"

Buster Shoots

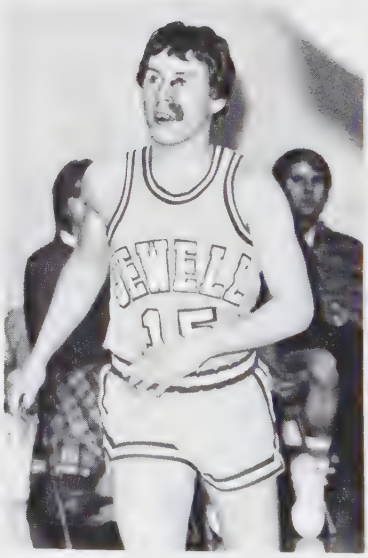

"Please let it go in."

"Boy, that's a long way up to the basket."

Top: Marty Slagle, Nick Duerr, Loren Thompson, Tim Hammerberg, Ken Hill.
Bottom: Leland Samuelson, Kevin Buckley, James Wilken, Paul Tice, Coach Wilken.

The J.V. basketball team had an excellent season. In fact, they tied for first place in the Casco League.

Next year, on the varsity team, they are planning to take it all the way to state.

GOOD LUCK GUYS!

CHEERLEADING

Roses are red
Violets are blue
Started with five
Ended with two

The 1984-85 Cheerleading season was a real disappointment. We started with five, but as you can see there was only two at the end of the year.

"We really wanted a good squad, and would have had one, but people were misled along the way," says Diana and Christina.

Good luck to next year's squad for 1985-86. We hope that you have as much fun supporting your school spirit as we did.

The girls basketball team started the season with high expectations, especially after they won their first game, but the final record for the year, didn't quite meet their expectations.

Although this was not a winning season for the team, they did have a lot of fun, and they improved vastly. Next year they will definitely give the other teams some competition.

"It's mine, you slime!"

"I want that ball!"

"You can't stop me from shooting."

"Oh yeah, right ref."

"You can't block my shot."

"Thank God for time outs, I'm pooped!"

This year's baseball team surpasses last year's record of one victory by getting two victories.

They had trouble getting enough guys to go out, but with the addition of two girls, they had enough people for a team, and although it wasn't a great one, they did have fun.

HONOR SOCIETY

Left to right: James Wilkin, Lori Adamson, Debbie Weitz, Leland Samuelson, Paul Tice, Diana Bryan, Carrie Lee, Helen Hannencratt, Dave Collier

The most prestigious organization that any student can belong to is the National Honor Society. Students must be A and B students, besides being of high personal character. character.

This year's Honor Society, under direction of president Helen Hanenkratt, performed services to the student body and also the community.

The Candlelight Induction Ceremony along with the retreat to Honeyman Beach were highlights of the year.

FFA

All studens who are in 9th grade or above, and are in a shop class are members of F.F.A.

Officers:
President-Leland Samuelson
Vice President-Loren Thompson
Sentinial-Ken Hill
Secretary-Steve Hale
Treasurer-Tim Hammerberg

The F.F.A. is a National Organization for farm youths with contests ranging from parliamentary procedure, to welding and live stock showing. The majority of the male students here were members this year.

Their activities included the Country Fair and the Donkey Basketball game. This was the first year for them to have their own sub-chapter, and that was a great accomplishment for them.

the junior class made a lot of money with their fund raisers. They cut wood, sold hats, garders, Valentine's cakes, and Christmas candy.

It was hard for them to keep the junior stand running due to sports, but they did make a little profit.

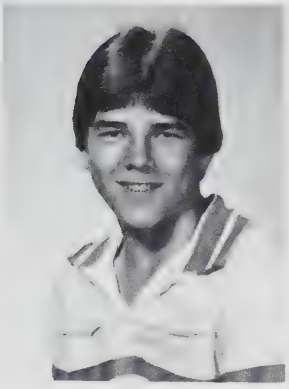

They had a lot of fun preparing for the prom, and they are looking forward to their senior year.

The flag football season began with a lot of enthusiasm and competitiveness that lasted throughout the short season. Our first game was at Fall City. They had a number of bigger players, and we were intimidated at first. But in the second half we were holding our own, even though we lost 20-12. The next two games against C.C.A. were victories. Everyone played a lot and learned how to work together. The eighth graders should be able to make a terrific contribution next year because of this year's exposure.

The 7th and 8th Grade Basketball team posted a losing season this year at both the Varsity levels. They faced opponents that had superior numbers (and in some cases, playing ability) but never let that stop them from giving their all. The whole team is worthy of recogni tion but the following stood out at the varsity level:

"Dr. J" puts up a shot.

"You don't scare me!"

The Jr. High girls basketball team had a good season this year, 7 wins - 7 losses.

I am very proud of the girls as they all had to work hard to achieve this record. It gets tough for ten girls to play 2 or 3 games a week. The Bluejay girls did a super job. They gave everything they had.

Although the high scores shined, their teammates helped them achieve this goal.

A big thanks to all the girls on the team, and our scorekeepers. Dale and Bonnie. You made my season a very enjoyable one.

CHEERLEADING

"We got the beat."

"We're from Jewell and we're cool."

Representing the 7th and 8th grade rally team for the 1984-85 school year were five outstanding spirit enthusiasts. Chanting and cartwheeling their way into the hearts of fans were Lynn Hill, Shirly Hill, Angie Holmes, Rachel Lee, and substitutes Kelli Jansen.

As their advisor, I would like to say "Thank you. It has been a very rewarding year because of your spirit and special friendship."

Daniel Sabol, Advisor

The fifth and sixth grade class was unusual in its division, with thirteen fifth graders and only four sixth graders. While quantity is low in the sixth grade, quality is high. Secondary teachers are going to love this bunch.

The fifth grade is large and reasonably active. It also is loaded with some bright students. I expect a great deal from them next year.

Our classroom has enjoyed writing for our newspaper, *Bluejay Newsline*. The Japan Fair was a big event. We feel we must almost be experts in knowing things about Japan. The class is finding it easier to perform on our new stage, and it was even fun to do our play and music about Japan. The Science fair makes us think and work hard on our projects. This year has been filled with lots of new things; for us, it's been real exciting! We think the most exciting time was the move into our new room. It houses Kindergarten, 1st and 2nd grades. We have a lot more working area as well as a huge arts/crafts/cooking area. MM-mm-mm! We get to make our own snacks, now.

We had our first social studies fair this year, and learned about Japan and its people. We made Japanese food and art projects, read Japanese stories and poems, and had visitors from Japan who served tea and Sashimi (raw tuna). Some of us liked it and some didn't.

We now have award assemblies as well as monthly assemblies. We invite different performers each month, and have seen a dancer, folk singer, an artist, fencers and a musician.

We have two computers in our room. We are also learning a programming language for kids called LOGO. We have games that we can play, too.

We are looking forward to our Science fair in May. We hope you'll all be able to make it that night. Lots of fun and neat new things have been happening this year. We hope every new year will be as exciting as this one.
